

EU Code Week at School

Bringing EU Code Week to
schools across the EU and the
Western Balkans

CodeWeek.EU

8-23 OCTOBER 2022

What is EU Code Week?

A grass-roots movement run by volunteers

Supported by the European
Commission

What are the objectives?

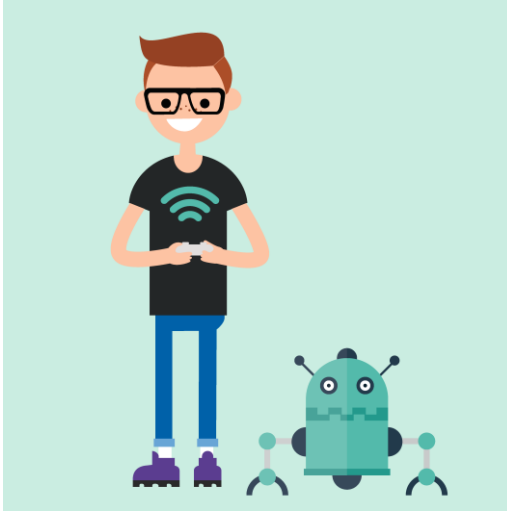

We aim to:

- Promote computational thinking, coding and tech related activities
- Bring ideas to life with code, and make programming more visible
- Bring motivated people together to explore and learn about our digital world

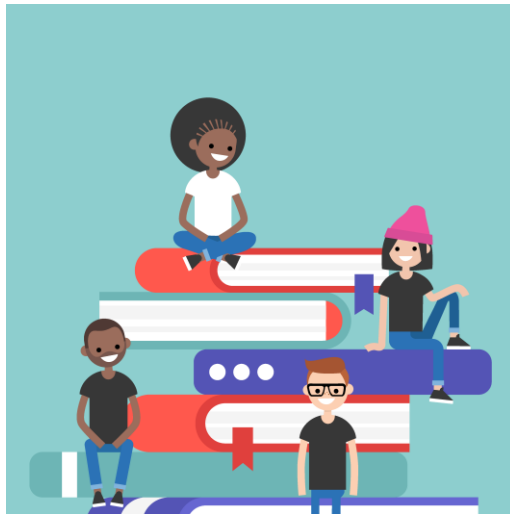

What is coding?

A skill-set of computational thinking, problem solving, critical reasoning, logic, teamwork and creativity

Why at school?

- To encourage the uptake of innovation in education systems
- To offer all students the possibility to make their first steps as digital creators
- To empower students and help them develop a better understanding of the world that surrounds them

How to get involved?

Organise your own coding activity:

- Visit <https://codeweek.eu/add>
- Pick a topic and a target audience and register your activity:

#CodeWeek

Add your #CodeWeek activity

How to organise your own activity?

Required fields are marked with an * asterisk. Feel free to add the activity listing to your local language.

*ACTIVITY TYPE

Open In-person activity

*ACTIVITY TITLE

What is the name of this activity?

*NAME OF ORGANISATION

Organisation you work in or homepage for

*LANGUAGES

English

Where to find support and information?

New to Code Week?

- Take a look at the [How-to](#) page

Looking for guidance?

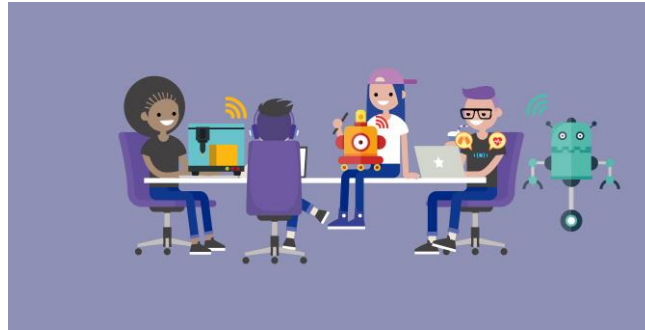

- Visit the Resources section for inspiration as well as more ideas on how to organise an activity, even without computers!

Resources

Several sections of Code Week's website allow you to find inspiration to start organising coding activities in your classroom:

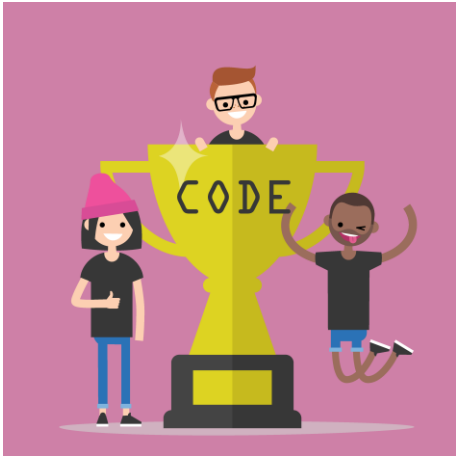

- More information on [why coding is important in schools](#)
- Information on [remote teaching](#)
- Free [teacher training modules](#), including ready-to-use lesson plans
- [Code Week Podcasts series](#) on various inspiring topics
- [Additional resources](#), made by partners and the Community

Looking for a challenge?

Take part in the [Code Week 4 All Challenge](#) and earn the Certificate of Excellence!

Connect with like-minded organisers and involve at least :

- 10 activities, or
- 3 countries

CodeWeek.

Teachers toolkit

You will find:

- Code Week badge
- Code Week logo
- Code Week @ School flyer
- Code Week @ School infographic
- Code Week @ School poster
- Participation certificates for your students
- Informational presentation
- Social media frame

Get in touch

Contact your country's EU Code Week Ambassador as well as Leading teachers:
[Europe Code Week](mailto:school@codeweek.eu)

Support for teachers:
school@codeweek.eu

EU Code Week is a free, international community of educators. In this page you can meet the members that are active in your country.
EU Code Week is based on the 10 Ambassadors, the leading teachers and representatives of the member states in the EU and member states in the European Union.
Find out more about your local community by selecting your country:
